

# Torque Wrench Assembler Tester

Norbar Torque Tools Ltd., the world leading torque tool manufacturer has a vacancy for a Torque Wrench Assembler Tester to join our busy production line on our permanent day shift based in our Wildmere Road facility.

Duties will include assembling a range of torque wrenches and sub assemblies to a high standard using light machinery and tools and calibrating each one using computer based test equipment. You will also be required to laser mark product and pack wrenches with certificates and instructions for customers.

You will be able to demonstrate previous experience on a production line, where working at speed to meet daily output is required identifying any quality issues with components or processes. You will be a highly motivated individual who has the ability to work both within a team and on an individual basis.

In return for a 38½ hour week we can offer a starting hourly rate of £9.50.

Norbar also offers a non-guaranteed profit related bonus, contributory pension scheme, life assurance, an award winning restaurant plus other lifestyle benefits.

**Closing date for applications: Tuesday 17 January 2017**

For an application form please contact Tracey Martin, Human Resources Assistant, Norbar Torque Tools Ltd, Wildmere Road, Banbury, Oxfordshire OX16 3JU. Telephone **01295 753631**.
