

Shift Manager (Day Shift)

Norbar Torque Tools Ltd., the world leading torque tool manufacturer has an opportunity for an experienced manager in our torque wrench department.

Our team of assembly operatives are already focused on producing high quality torque wrenches for our domestic and professional customers. Your role will be to manage the development of people and implement new processes as we seek to delight our customers around the world with even faster delivery of new and innovative precision tools.

We will only consider applications from people who have a number of years proven people management experience preferably in an engineering/technical assembly environment.

Excellent IT skills are essential together with experience of contemporary manufacturing practices and business improvement techniques.

In return we can offer a starting salary commensurate with the skills and experience you can offer.

Norbar also offers a non-guaranteed profit related bonus, contributory pension scheme, life assurance, an award winning restaurant plus other lifestyle benefits and the opportunity to work in our new state of the art facility situated right next to J11 on the M40.

Closing date for applications: Friday 3 March 2017

For an application form please contact Tracey Martin, Human Resources Assistant, Norbar Torque Tools Ltd, Wildmere Road, Banbury, Oxfordshire OX16 3JU, Telephone 01295 753631.

Alternatively you can download an application form at www.norbar.com. CVs will not be accepted without a completed application form.
