

ENGINEER TO ORDER

SPECIAL PROJECT INFORMATION SHEET

Project Description	Clip-on reactions to fit PT / PTM / HT with reaction adaptor		
Date created	15 October 2014	Project Number	Q - various

INTRODUCTION & APPLICATION

Various applications requiring interchangeable / detachable torque reactions.

SOLUTION

Interchangeable / detachable special torque reactions to fit standard reaction adaptors #18558 (52 series) & #18290 (72 series).

Special extended 18241 short reaction foot Q2953

Special 18298 straight reaction with extended peg Q2852

Special 18291 extended straight reaction Q1921

Special 18298 straight reaction with extended peg Q1867.2

TECHNICAL SPECIFICATION / DATA HIGHLIGHTS

Project #	To fit tool	Max. torque	Change to standard*
Q2953	PT-72/1,000	850 N.m**	Foot extended 6mm forward
Q2852	PT-72/1,000	1,000 N.m	Peg extended forward 75mm
Q1921	PTM-72-2,000	500 N.m**	Length extended by 266mm
Q1867.2	PT-72/100 special	100 N.m	Arm reduced by 34mm & peg extended 117mm

**Differences to equivalent standard part / ** Application torque*

The above are examples designed for specific application usage. Other sizes and types are available. Please contact Norbar with your application requirements for suitability confirmation.
