

INVITATION

ENGINEERING OPEN EVENING

Norbar Torque Tools, Banbury

One hour tours commencing between 6pm - 8pm on Tuesday 28th February 2012

What is Engineering? | What does an Engineer do? | Thinking about Engineering as a career?

Come and see for yourself what an engineering career has to offer

Take a conducted tour of a major engineering company

Find out more about the many different types of engineering

Ask Engineers and Engineering Apprentices about day to day life in engineering

Discover a wide range of engineering career paths including Design, Production, Quality, Electronics and Maintenance

This event is mainly for young people between the ages of 14 and 19 (school years 10 to 13 and recent leavers)

Parents and teachers are also welcome

Tour times are every 10 minutes from 6pm. Please confirm your attendance and indicate your preferred tour time by emailing recruit@norbar.com before 23rd February 2012. Norbar will then confirm the starting time of your visit.
