

INVITATION CAREERS OPEN EVENING

Norbar Torque Tools, Wildmere Road, Banbury, OX16 3JU

A chance to explore career opportunities at Norbar Torque Tools from 6pm through to 8pm on Thursday 8th February 2018.

HOW TO FIND US

CAREERS OPEN EVENING 2018

This event is mainly for young people between the ages of 14 and 19 (school years 10 to 13 and recent leavers). Parents and teachers are also welcome.

Once you have arrived and checked in with a member of staff, one of our guides will collect you for a tour of various departments within Norbar. There will be information about the company and members of staff will be on hand to discuss potential opportunities with you.

- Come and see for yourself what a career at an engineering firm has to offer
- Ask Engineers and Engineering Apprentices about day to day life in engineering
- Discover a range of engineering career paths, including opportunities in a Mechanical discipline
- Light refreshments will be available throughout the evening

We are seeking individuals who have an interest in any of the following areas:

- Apprentice CNC Setter
- Apprentice Toolmaker

RSVP - To book your time, please contact recruit@norbar.com before Friday 2nd February 2018 to confirm the number of attendees and your preferred time slot. We will then confirm the starting time of your visit.
