

## IT Opportunities

Norbar Torque Tools Ltd., the world leading torque tool manufacturer wishes to expand our IT team with 2 IT support professionals

The team is responsible for the maintenance, development and integration of hardware and software solutions throughout a multi-national Company.

### **1<sup>st</sup> Line IT Support Role**

Starting salary £20,500 per annum

The successful candidate will be responsible for the installation, maintenance and support of PC infrastructure within the Company and will be first point of contact for IT assistance.

Key activities will include –

- Providing network support e.g. PC and printer connectivity
- Microsoft Office support
- Managing the telephone systems
- Implementing new hardware/software and associated maintenance
- Problem resolution
- Supporting application software

You will have a knowledge of Microsoft Windows 7, Windows 10 and Office 2016 and have proven diagnostics and trouble shooting skills. Strong interpersonal skills are essential to deal with end users and a diploma in an ICT related field or equivalent would be a distinct advantage.

### **Graduate Software/Application Developer**

Starting salary in the range £35,000-£40,000 per annum

You will be involved with the full software development lifecycle and responsibilities will be analysis and design, development, testing, documentation and deployment of software for in-house production use.

You will also be involved in the integration of software solutions into existing systems.

You will have a degree in Computer Science or a related discipline, have experience in developing ASP.NET. Knowledge of SQL Server data programming would be an advantage.

You will be a self-motivated individual with the desire to acquire/learn new skills as the role develops.

For both positions, we offer a non-guaranteed profit related bonus, contributory pension scheme, life assurance, an award winning restaurant plus other lifestyle benefits.

Closing date for applications: Wednesday 25 October 2017

*We reserve the right to interview and appoint before the closing date.*
