

Job Opportunities

Norbar Torque Tools Ltd., the world leading torque tool manufacturer is looking to recruit for a number of positions to support the growth of the business.

Assembly Operative

38½ hours per week

Starting hourly rate £9.71

We wish to appoint a suitable individual who can undertake a variety of assembly and preparation tasks to support gearbox production in meeting our ever increasing customer demand.

You will be involved in preparing components prior to painting, operating our laser marking machine, assisting in the assembly of products and packing a range of tools in bespoke packaging ready for despatch.

You should have a flexible attitude to work, show a willingness to learn new skills and have previous experience of working in an assembly environment.

A basic understanding of engineering assemblies would be a distinct advantage but is not essential.

In return we can offer an hourly rate of £9.71

Repairs Co-ordinator

38½ hours per week

Starting salary £19,600 per annum

Responsible to the Customer Relations Manager, you will work with the existing team to quickly and accurately process repairs enquiries and orders.

You will be involved in receiving and unpacking customer's product, providing quotations, completing relevant paperwork and producing calibration certificates.

This role requires good accurate pc skills and previous experience of dealing with customers in a sales/after sales role is essential.

For both positions we offer a non-guaranteed profit related bonus, contributory pension scheme, life assurance, an award winning restaurant plus other lifestyle benefits.

Closing date for all applications: Tuesday 1 August 2017

For an application form please contact Beverley Fuller, Human Resources Assistant, Norbar Torque Tools Ltd, Wildmere Road, Banbury, Oxfordshire OX16 3JU, Telephone 01295 753644.

Alternatively you can download an application form at www.norbar.com. CVs will not be accepted without a completed application form.
