

## Job Opportunities

Norbar Torque Tools Ltd., the world leading torque tool manufacturer is looking to recruit for a number of positions to support the growth of the business.

### **Torque Wrench Assembler Tester (38½ hours)** (Starting hourly rate: £9.71)

Duties will include assembling a range of torque wrenches and sub assemblies to a high standard using light machinery and tools and calibrating each one using computer based test equipment. You will also be required to laser mark product and pack wrenches with certificates and instructions for customers.

You will be able to demonstrate previous experience on a production line, where working at speed to meet daily output is required identifying any quality issues with components or processes. You will be a highly motivated individual who has the ability to work both within a team and on an individual basis.

### **Goods In/Out Co-ordinator (38½ hours)** (Starting hourly rate: £9.96)

Duties will include being responsible for receiving, loading and unloading goods delivered to and from the company and the movement of goods and finished products between departments using correct documentation and procedures. Some driving duties may be required.

You must have excellent IT skills and be able to demonstrate previous experience in a similar environment where data accuracy and good organisational skills are key. A fork lift licence is essential.

For both positions, we offer a non-guaranteed profit related bonus, contributory pension scheme, life assurance, an award winning restaurant plus other lifestyle benefits.

Closing date for all applications: Tuesday 30 May 2017

For an application form please contact Beverley Fuller, Human Resources Assistant, Norbar Torque Tools Ltd, Wildmere Road, Banbury, Oxfordshire OX16 3JU, Telephone 01295 753644.

Alternatively you can download an application form at [www.norbar.com](http://www.norbar.com). CVs will not be accepted without a completed application form.
