

## Production Operator

Norbar Torque Tools Ltd., the world leading torque tool manufacturer is expanding its production facility and has a vacancy for an Operator to join our Torque Wrench Manufacturing Cell to support our continued growth of the business.

Duties will include press work, welding and painting in order to produce components for use in our assembly area.

The varied workload will require a flexible attitude to tasks. You will be responsible for the quality of your work and a high level of attention to detail is essential.

Welding experience is essential. Specific training will be given in other areas to the right candidate.

In return for a 38½ hour week, we can offer a starting hourly rate of £12.06.

Norbar also offers a non-guaranteed profit related bonus, contributory pension scheme, life assurance, an award winning restaurant plus other lifestyle benefits.

Closing date for applications: Tuesday 24 October 2017

*We reserve the right to interview and appoint before the closing date*

For an application form please contact Beverley Fuller, Human Resources Assistant, Norbar Torque Tools Ltd, Wildmere Road, Banbury, Oxfordshire OX16 3JU, Telephone 01295 753644.
